Updated: 11/07/2016

THIS THURSDAY:

SOS is hosting a FREE community workshop Thursday, Nov 10th 6:00pm-7:00pm in our center. If you have a friend who wants to learn more about how ABA works, invite them to attend! Must RSVP to Info@successonthespectrum.com

NEXT MONDAY:

Monday, Nov 14th is a field trip to The Children's Museum. Your therapists will meet you at the front entrance at 10:00am. Please pay the entry fee for your child. You are welcome to stay with your child, or pick them up at 2:00pm in the same spot.

All field trips are optional. Let us know if your child will attend, or will complete a normal session. Therapists are not allowed to transport clients at any time.

NEXT WEEK:

Next week we will be introducing the children to fire safety. We will participate in a pretend fire drill! Kids will be required to walk down the stairs with their therapists and find the designated safety zone in the parking garage.

HOLIDAYS:

SOS will be closed for Thanksgiving Nov 24th and 25th.

Please let us know about your child's holiday schedule as soon as possible. If you will be out of town, we want to notify the therapists that the session will be cancelled. If your child is out of school and wants to spend the daytime hours at our center, our therapists availability will be "first come, first served" basis.

Remember, that if we exceed the number of insurance-approved hours, you will be responsible for the fees.

OUR KIDS NEED OUR HELP:

October is National Disability Employment Awareness Month (NDEAM). At this point in time, our children have few solutions as they transition to adulthood.

[Click here to ask lawmakers in Washington and Texas to expand employment opportunities for those with autism!](#)

CAMERA SYSTEM:

Our center's camera system have been installed! The video is a live stream and for safety reasons, is not broadcast on the internet. Parents are now able to sit in our conference room and watch your child's session at any time. Please make an appointment, as multiple parents cannot watch at the same time.

CONTACT US:

Send your behavior concerns or program questions to your BCBA by typing "Kendra" or "Amy" into the Central Reach messenger.

If you have any billing or scheduling questions, please send a message to Nichole by typing "Success On The Spectrum"
